**Holy Trinity News:** To misquote the third collect in the service of Evening Prayer: Our “Darkness is about to be lightened!” The plans to replace Holy Trinity’s lights with energy efficient LED’s have been completed. The cost is just over £20,000 and generous grants have been received from the Friends of the Parish and Allchurches Trust Limited which is covering over half the cost. However, it would be good if we were able to raise most of the balance. Having announced the plans in Holy Trinity last Sunday within 48 hours we have offers of three fund raising events and five donations. Can you help with similar offers? Please let one of the wardens at Holy Trinity know.

*Peter Cottey, Bryony Springate, Carol Radway, Roger Hester.*

### **RAU Convocations 2018:**

The above ceremonies were held in St John Baptist for the sixth time on the 19th June. All three graduations went extremely well and the RAU would like to express their profound thanks for all the hard work and help given by in particular the Vergers John Lawrence, Phil Kerton and Peter Flaherty. Well done. *Keith M Brown*

**Foodbank News:** Thank you for all your ongoing support. The total collected in the parish for last month was 43.65 kg. (Parish Church 13.2 kg, Holy Trinity Church 30.45 kg) We are excited to announce our latest fundraising initiative “myFoodbankSupper”. Will you take on the challenge of hosting a dinner party with a difference? Invite your friends around for dinner and make them a meal using items typically found in a foodbank parcel. We’ll supply shopping lists, invitations for your guests, balloons and table flags. All we ask in return is that they make a donation to the Foodbank. For more information please visit :
