New Lighting : LED lighting is to be installed in Holy Trinity commencing at 2pm on 3rd September 2018 and the work is expected to take about 3 weeks. The Church will be closed during this work from Monday to Friday, for security and everyone's safety. The Church will be open as usual on Sundays for services and Saturdays so that, for example, cleaners and flower arrangers can have access. Wednesday evening services will continue normally as will Tuesday evening bell ringing practice. This work will be under the direction of Tim Herbert of H. J. Herbert [Electrical Engineers] Limited, Preston. Contact Terry Hopegood on Cirencester 653007, if you have any questions.

To the fantastic HTW cleaning team: Do not panic about cleaning during church closure weeks. If you can do the Saturday, fine. If not, no problem. Be at peace! We'll have a clean up morning for everyone who can make it (ALL WELCOME - TEAM OR NOT!) Like last year I will provide tray bakes and drinks. Planned day - Saturday 29th September from 10 - 12. Hope to see you there.
