**Data Protection Regulations & Electoral Roll:** Together with your order of service today, you should have a booklet regarding the General Data Protection Regulation and the Electoral Roll. There are two application forms inside which, if you wish to do so, should be returned via the Parish Office. The booklet explains how your personal data is managed and kept securely by the Parish for efficient communication with everyone. There is a consent form to return if you are happy for the Parish to send you information. The second form is to join the Electoral Roll of the Parish of Cirencester with Watermoor. By the end of March 2019 we are required to revise our Electoral Roll completely. Thank you.
